Who We Are

Floyd Glass & Window

Floyd Glass & Window is a family-owned and operated business with over 35 years of experience in the glass and window industry. Based out of St. Charles, Missouri, Floyd stands out as a leader in the production and installation of windows, glass, and custom shower doors.

Custom Showers

When it comes to your shower, you want to ensure you have the most informed advisor on your side, and at Floyd, our trained installers and our knowledgeable staff are experts. Owners Kathy, Justin and Josh Tyler know showers and will be available to assist you every step of the way. Choosing the shower that works best for you and your bathroom can be daunting, so look to Floyd for guidance. Our expertise is your gain.

Value is in knowing that with Floyd you have trained experts, a quality product, and a fair price.

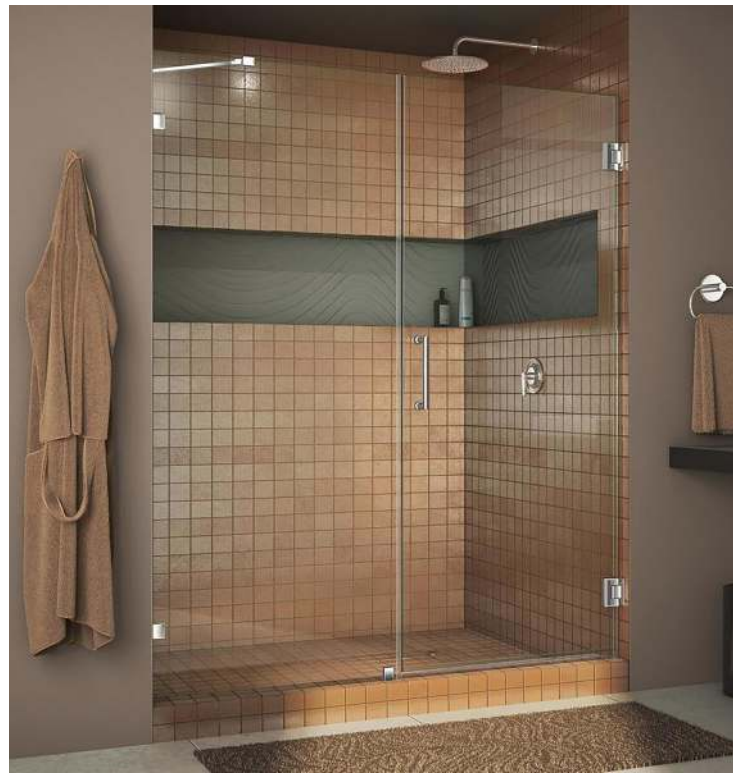

On the following pages you will find the custom shower door options currently available.

Single Shower Door

Inline Panel Door

Single Shower Door

We offer two options on the single shower doors.

- left side opening
- right side opening

Inline Panel Door

We offer eleven options on the inline panel doors, including the notched inline.

90° Shower Door

Neo Angle Door

90° Shower Door

We offer ten options on the 90° shower doors.

Neo Angle Door

We offer seven options on the neo angle doors.

Barn Door Shower Door

Bypass Shower Door

Barn Door Shower Door

These barn door shower doors are both functional and aesthetically pleasing.

Bypass Shower Door

Our bypass shower doors can be installed above a bathtub or free-standing shower.

Hinged Door Styles

Frameless

3/8" or 1/2" glass
LuxClear Option

Advantages

Cleaner, fresher look
Less mold growth
Easier to clean
Delivers a more open bathroom

Semi-Frameless

1/4" glass
Seal Pro Option

Advantages

More cost effective
More water tight

Hybrid

3/8" or 1/2" glass
Seal Pro Option

Advantages

The Hybrid utilizes a stock 1/4" hinged door with a 3/8" heavy glass panel to create a minimalist modern look while providing a stronger seal for water leakage.

Frameless showers will not be 100% water tight. We do our best to minimize water leakage with plastics and vinyl, but a small amount of water will find a way out.

Shower Door Accessories

Shower Handle Pulls

- Overture

The logo is an oval with a dark blue background and a light blue border. The word "Floyd" is written in a large, white, cursive script font. To the right of "Floyd", the text "since 1980" is written in a smaller, white, sans-serif font. A thin white horizontal line separates "Floyd" from "GLASS & WINDOW".
